ORDER:

The Government direct that an officiating Assistant Commissioner of Excise posted as District Prohibition Officer be allowed to draw increments in the scale of pay of Rs.500-50/2-700 applicable to him in his regular line for the period during which he would have officiated as Assistant Commissioner but for his appointment as District Prohibition Officer. Permanent Assistant Commissioners of Excise posted as D.P.Os are already eligible to count their service as D.P.Os for increment in the time scale of Pay of Assistant Commissioners under F.R. 26 (b).

Reference:--

The Government Order cited permits officiating Assistant Commissioners of Excise posted as District Prohibition Officers to draw increments in the time scale applicable to Assistant Commissioners for the periods during which they would have officiated as Assistant Commissioners but for their appointment as District Prohibition Officers. In this connection the Board invites the attention of the Government to para 3 of its reference C.R. No. 41522 Abk/47 B2 dated 8-12-47 and Government Order No. 487, Revenue, dated 4-3-48. There are only 4 posts of Assistant Commissioners of Excise now and even these posts will be abolished on 2-10-48 when Prohibition is further extended. Then the benefit of drawing increments in their scale of pay, granted in the Government Order cited, to the officiating Assistant Commissioners of Excise would be rendered inoperative. The Board therefore requests that the Government may be pleased to delete the following portion in the first sentence in the Government Order, cited, as otherwise none of the existing officiating Assistant Commissioners of Excise can hope to draw increments in their scale of pay i.e., the scale of pay applicable to Assistant Commissioners of Excise, even though they are posted as District Prohibition Officers.

"For the period during which he would have officiated as Assistant Commissioner but for his appointment as District Prohibition Officer."

REFERENCE:

The Board submits that the object of the amendment proposed in its reference cited is to make officiating Assistant Commissioners of Excise working as District Prohibition Officers eligible to draw increments in the scale of pay applicable to Assistant Commissioners irrespective of whether they would have continued to officiate in that category. This was considered necessary for the reason explained below:

2. Prior to 1-10-46, there were 10 posts of Assistant Commissioners of Excise, including that of the Assistant Secretary. On 1-10-46 when Prohibition was introduced in the first batch of 8 districts, three posts of Assistant Commissioners, viz. Bellary, Chittoor and Erode Sub Divisions, were abolished. But none of the Assistant Commissioners was reverted on this account as those in excess were employed as District Prohibition Officers. It was with the intention of accommodating Assistant Commissioners rendered surplus of the requirements in the wet area that the Government, while creating the posts of District Prohibition Officers, declared that "that District Prohibition Officers may be either junior Assistant Commissioners or Senior Inspectors". Similarly, when prohibition was extended to 8 more districts from 1-10-47 three more Excise Sub divisions, Nellore, Cuddalore and West Coast, were abolished, reducing the number of Assistant Commissioners to 4. At that time, there were 8 Assistant Commissioners on duty, who were employed either as Assistant Commissioners of Excise or as District Prohibition Officers. After the introduction of Prohibition throughout the province from 2-10-48, there now remains only one post of Assistant Commissioner, (The Assistant Commissioner for Distilleries) which is being held by a temporary Assistant Commissioner, So the other Assistant Commissioners are all working in the capacity of District Prohibition Officers only.

3. After 1-10-46, the day on which the gradual abolition of posts in the Excise Department started, there has been no regular promotion to the category of Assistant Commissioners of excise. Those who had commenced probation as Assistant Commissioners before that date, have continued either as Assistant Commissioners or as District Prohibition Officers as explained in para 2. Thus it will be seen that the juniors among them could not have acted as Assistant Commissioners after 1-10-46 but for the fact that either they themselves or some of their seniors were employed as District Prohibition Officers. So, the concession allowed in Government Order Ms. No.581 Revenue dated 16-3-1948 to Officiating Assistant Commissioners posted as District Prohibition Officers to draw increments in the scale of pay applicable to Assistant Commissioners of Excise becomes useless when it is accompanied by a condition that the drawal of an

by a condition that the drawal of increments is limited to the period during which one would have officiated as Assistant Commissioner but for one's appointment as District Prohibition Officer. It was for this reason that the Board recommended the deletion of the above condition from the Government Order. The Board re-iterates the suggestion and requests that early orders may be passed accepting the same.

4. With reference to the latter part of the Government Memorandum a statement showing the names of Officiating Assistant Commissioners appointed as District Prohibition Officers from 1-10-46 and the period during which each of them held the post of District Prohibition Officer is enclosed. As permanent Assistant Commissioners posted as District Prohibition Officers are already eligible to count their service as District Prohibition Officers for increments in the scale of pay applicable to Assistant Commissioners of Excise, their names are not included in the statement.

The four officers mentioned in the statment submitted to the Government along with the Board's reference C.R. No. 23388 Abk/46 dated 29-12-48 were drawing the pay applicable to Assistant Commissioners of Excise during the periods mentioned therein. Of these officers, Mr. J.R. Kerr is no more and Mr. Munzoor Husain Khan has been confirmed as Assistant Commissioner with effect from 20-8-47. Hence the Board's proposals will benefit the other two officers Messrs P.L.N. Naidu and D. Koil Pillai.

From the Board of Revenue PC of T.M. dated 5-2-1949.

In the T.M. quoted above the Board of Revenue has stated that its proposal to delete the condition "for the period during which ~~he~~ would have officiated as Assistant Commissioner but for his appointment as District Prohibition Officer" from the first sentence of the G.O. quoted above, will benefit Messrs. P.L.N. Naidu and D. Koil Pillai. It is observed that both these officers are senior to Sri M. Tyagaraja Pillai who is now working as Assistant Commissioner of Excise for Distilleries. and are therefore eligible to draw the Assistant Commissioner's pay even if the condition mentioned above is not delted. The Government do not therefore consider it necessary to accept the Board's proposal.
